Michael E. Tucker, President & CEO of Greenfield Cooperative Bank is pleased to announce that **Tony Worden was elected by our Board to a new position of Chief Operating Officer (COO) of Greenfield Cooperative Bank. This will be in addition to his duties as Executive Vice President & Senior Commercial Loan Officer.** This is effective immediately.

As COO, Tony will be taking over some of Mr. Tucker's day to day duties and direct reports to ensure GCB maintains continuity in its leadership ranks. And during a stressful period such as now with the Coronavirus (COVID-19), it allows the Board the peace of mind to know that should Mr. Tucker be unavailable for whatever reason, Tony Worden will be available for major decisions.

Mr. Tucker noted that "Tony truly cares about Greenfield Cooperative Bank and our customers and employees. He is committed to independence and mutuality to ensure that Greenfield Cooperative Bank and its Northampton Cooperative division are here for a long time."

Tony has over twenty one years' experience in the commercial lending and has been with GCB since 2008. Tony is a 1996 graduate of the University of Massachusetts with a B.A. degree in Business Administration and received his MBA from UMass-Amherst in 2005. He also is a 2017 graduate of the Stonier School of Banking at the University of Pennsylvania.

Mr. Worden is active in the community as a member of the Board at the United Way of Franklin County, a member of the Town of Greenfield Cable Advisory Committee and of the Turners Falls Downtown Working Group.
